

Improve your E-commerce Business

Kite has a proven record in supporting online businesses through in-house expertise with our own 'Kite online' division. Request a packaging review to improve the packing speed and distribution of your products.

A packing area review combined with time and motion studies can save labour cost, improve efficiency and increase pack velocity.

- ✓ Reduction in SKUs
- ✓ Reduced pack time
- ✓ Plastic use reduction
- ✓ Cost savings

Improve your packing efficiency!
