

# The complete box guide

*powered by employee share-ownership*

### More than just a box, it's about the solution.

At Kite, we sell all kinds of boxes. The chances are, if you need it, we have it. So, have a flick through for more information on the different types and their uses. Who knows, you might find the perfect one for you.

We've included a Royal Mail PiP guide and some other products you might find handy. Whatever your packaging needs, Kite is here to help.

**Eco-friendly  
packaging solutions**

**Free delivery on  
orders over £100**

**Dedicated  
account manager**

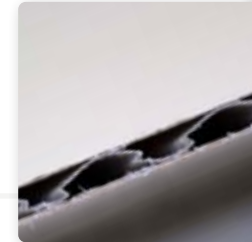

**Quick & easy  
online portal**

**4.6/5 star ratings  
on Trustpilot**

### Single wall

- Sturdy single-wall corrugation
- Flat-packed for convenient storage
- Contains 60% - 90% recycled content
- Available in 46 sizes

### Double wall

- Double-wall corrugation
- Suitable for heavy items
- Contains 60% - 90% recycled content
- Available in 35 sizes

### Have you thought about tape?

Tape is an essential postal and packaging product. Use our tape to secure goods within packages, ensuring they arrive safely at your customers' doorsteps.

**Environmentally friendly** options are available!  
Visit our website at [kitepackaging.co.uk](https://kitepackaging.co.uk) for more.

## Standard boxes

02476 420065  
kitepackaging.co.uk

02476 420065  
kitepackaging.co.uk

### BDC & BDCM

- High quality single wall cardboard
- Flat-packed for convenient storage
- Industry standard for retail
- Available in 3 and 4 sizes respectively

## How to measure your product

It is essential to know the size of your product to determine the internal dimensions of your box.

#### Step 1

Place product onto scrap cardboard.

#### Step 2

Draw a line for the length, width and height of your product.

#### Step 3

Measure each line for external dimensions.

**Tip:** Leave extra room for wrapping/void fill solutions for added protection.
