Ventilated stretch wrap

Prevents condensation build up

- Allows moisture to escape
- Pre-stretched for high-quality adherence to pallets/products
- 100% recyclable film, BRC certified
- Blown film grants puncture resilience & strength
- Available as hand or machine pallet wrap

Suitable for:

Mini stretch film and dispenser

- Easy to use, perfect for smaller consignments
- Residue free, and clings to itself without adhesive
- Available in clear or black

♻️ 30% recycled content

Hand pallet wrap dispenser

- Suitable for use with 400 - 500mm with 38mm or 50mm cores
- Robust & suitable for medium-duty use
- Minimal assembly required, easy roll changes
- Adjustable tension

Coreless pallet wrap dispenser

- Effectively and efficiently wrap pallets
- The design allows users to have complete grip control over the dispenser
- Reduced health and safety risks
- Lightweight design

Pallet wrap dispenser trolley

- Holds up to 6 rolls of wrap
- Tilted handlebar for ease of use
- Perfect for warehouse & factory use
- Works with standard hand stretch films

Reduce plastic usage by up to
60%
